

EDUCATION MENU

WORKSHOPS AND ACTIVITIES

RAILWAY

HISTORY OF CUMBRIAN RAILWAY

Explore the history of the Cumbrian Coast railway line from the 1800s to present day.

STAYING SAFE ON TRAINS

Safety presentation teaching pupils how to stay safe near railways and on trains.

Create your own safety sign.

TIMETABLES

Learn how to read train timetables and use maths skills to solve problems.

IRON INDUSTRY

HISTORY OF MILLOM'S IRON INDUSTRY

Learn about the history of the Iron Works and Mines in Millom with our interactive mine cage.

THEN VS NOW

Visit the sites of the Iron Works or the Mines to see how the environment has changed since they closed in the 1960s.

MUSEUMS

WHY VISIT A MUSEUM?

Explore the role of a museum and the importance of objects

INTERPRETING OBJECTS

Use creative writing skills to tell the story of an object in the museum or create a factual poster about it.

We are happy to mix & match and adapt workshops to suit your curriculum needs.
